

Players are split into 2
teams

Red
Team

Blue
Team

The game has a set of words

Some of em are
Red Team's

Some of em are
Blue Team's

Some of em don't belong to either
teams (more about them later)

Each Team picks one Spymaster among them

Only The Spymaster
Can see the "True Colors"

bat	ball	fish	cat
film	car	owl	shoe
mine	well	pan	kit
set	bed	door	cube

Everyone else sees only
the words, not colors

bat	ball	fish	cat
film	car	owl	shoe
mine	well	pan	kit
set	bed	door	cube

Spymaster gives ONE WORD Clues to make team find it's Color's Words

Red Spymaster
"PETS x 2 words"

Red Team finds 2
red words from clue

bat	ball	fish	cat
film	car	shoe	owl
mine	well	pan	kit
set	bed	door	cube

The team that finds all of its
words first wins !

Red Team : 5/5 | Blue Team : 2/6

bat	ball	fish	cat
film	car	shoe	owl
mine	well	pan	kit
set	bed	door	cube

RED TEAM WINS !!!

What if the team wrongly guesses words that don't belong to its color ?

bed

choose the black word by mistake, Your team instantly loses the game !

owl

choose an opponent's word by mistake, they get a word for free & chance is passed

door

choose a grey word by mistake, The chance is passed, that apart you are safe
